- Supported operating systems include Linux®, Windows® 7¹, and Windows® 10 64-bit operating system required.
- DirectX® 12 and Vulkan® support
- For information on AMD Radeon™ VR Ready Premium visit amd.com/VRready

[1] Does not support all features including but not limited to Hardware Raytracing.

WINDFORCE 3X COOLING SYSTEM

The 3X unique blade fans feature alternate spinning and screen coating for efficient heat dissipation.

The large copper plate and heat pipes enhance heat dissipation.

Screen-cooling

Extended heatsink design allows air flow to pass through, providing better heat dissipation.

RGB FUSION 2.0

With 16.7M customizable color options and numerous lighting effects, you can choose lighting effects or synchronize with other AORUS devices.

PROTECTION METAL BACK PLATE

The metal back plate not only provides an aesthetic shape, but also enhances the structure of the graphics card to provide complete protection.

WARNING:
This product contains electrical components that pose a fire hazard or risk of electric shock if not used properly. Do not touch after handling.
- Do not use the product near flammable or explosive materials.
- Do not use the product near water or other liquids.
- Do not use the product near children.
- Do not use the product near fire or other heat sources.
- Do not use the product near strong magnetic fields.
- Do not use the product near strong electromagnetic fields.
- Do not use the product near high-voltage power lines.
- Do not use the product near power lines or other electrical infrastructure.
- Do not use the product near other electronic devices.
- Do not use the product near children.
- Do not use the product near pets.
- Do not use the product near food or drink.
- Do not use the product near clothing or other personal items.
- Do not use the product near sensitive equipment.
- Do not use the product near children.
- Do not use the product near pets.
- Do not use the product near food or drink.
- Do not use the product near clothing or other personal items.
- Do not use the product near sensitive equipment.
