

600 W Przenośny wytrzymałość stacja 110 woltów 220 woltów słoneczny wytrzymałość dostarczać ratować energia sprzęt Do na wolnym powietrzu Dom Sytuacje awaryjne

PRODUCT PARAMETER

Hole of Strap
Comfortable strap design

AC Output
110V-220V/60HZ (Max 650W)

LCD Digital Display
Easily to know the Working status

Comfortable handle Intimate and comfortable handle design

Heat emission hole intelligent temperature control effectively protects

600W PORTABLE POWER STATION

Sine Wave

Capacity:600Wh /150000mAh

Cycle life: \geq 500 times

DC Input: 125W, 12V- 26V/4A,Max 5A

Solar charging Input: 60W-300W(Max), 12V-30V/5A-10A

Type-C Output: 60W (PD)

USB-A Output: 18W

AC Ouput: 110V-220V/60HZ (Max 650W)

DC Ouput: 12V/4A

Car Charge Output: 12V/8A (Max 96W)

Size:274.5*290.26*130.34mm

Material:ABS+PC

With LCD Digital Display +Torch + Belt

Weight:6.2kg

PACKAGE KIT

- Power station
- Power adapter
- Shoulder brace
- Manual
- Package box

600W Sine Wave Portable Power Station

Outdoor party

Recreation fishing

Camping
