

7.9inch 1024 x 769 1G + 16G A31S Quad Core 3800mAh Tablet PC

Opis produktu:

Chipset	A31S Quad Rdzeń 1GHz
OS	Android 4.2
RAM	1GB DDR3
Dysk Flash	16GB
TF	Karta microSD, wsparcie Max 32G
Ekran	Pojemnościowy G + G 10point dotykowy
Rozdzielczość ekranu	1024x768
Rozmiar ekranu	7.9 "
Kamera	Front0.3M / Rynek 2.0M
Wi-Fi	802.11 b / g / n
Częstotliwość 3G	Wsparcie 3G USB Dongle
Bluetooth	Tak, v4.0
Czujnik żyroskop	Tak
czujnik światła	Tak
Czujnik grawitacji	Tak
HDMI	Tak
USB	Micro USB (OTG)
Słuchawki / MIC	3.5mm
APP	File Manager, Google Search, Przeglądarka, Galeria, zegar, kalkulator, Kalendarz, e-mail, itp
Ebook	ANSI, Unicode TXT, PDF, HTML, FB2, PDB, EPUB itd
Muzyka / Film	MP3, WAV, OGG, AAC, WMA, FLAC, RM, AVI, RMVB, MP4, MPG, MPEG, FLV ...
Zdjęcie	JPEG, BMP, GIF, PNG
Język	Wielojęzyczne
Kolor	czarny / biały
Adapter	5V / 2A Opcjonalnie US
Rodzaj baterii	3800mAh / 3.7V 1 * pudełko 1 * Instrukcja obsługi
Akcesoria	1 * ładowarka 1 * Kabel USB 1 * OTG kabel

The first 64-bit processor tablet

CNET Testing Center measured data

V819i Quad-Core Intel Bay Trail-T processor, the perfect support for 64-bit computing, the performance is far better than the traditional 32-bit processor, with a response rate of 80ms, bringing experience the most rapid touch response.

64-bit

Baytrail-T Z3735 Intel quad-core processors

Baytrail-T Z3735 Intel quad-core X86 processor core architecture, with ultra-high frequency 1.83GHz. With the new generation Turbo Boost Technology, 2MB cache, performance ultra-mainstream tablet 2 times.

The world's most advanced process

A global leader in chip technology

Intel 22nm than 28nm process leading to more than a year! Unique 3D crystal tube manufacturing technology can improve performance by 30% while maintaining the low pressure or power constant while reducing power consumption by 50%.

8 inches IPS hard top screen

G+G Full-fit technology, a better touch

Top IPS hard screen, 189ppi resolution sharper than the same 8.0 inches more than 18% of the mainstream flat-panel, wide viewing angle of 178 degrees to display.
