The image shows a white, rectangular mining hardware unit, the Avalon Miner 10 series, positioned on the left side. The unit features a stack of three cooling fans on the left side and a power input port on the right. The background is a dark, starry space scene with a glowing blue horizon line. The text 'AvalonMiner 10 series' is written in a large, white, sans-serif font at the top left. Below it, 'New Products Launching Now!' is written in a similar font. To the right of the unit, technical specifications are listed in a smaller white font.
