

# Banco de energía de carga multifuncional portátil, estación de energía de alta capacidad, 2000W, CA, CC, USB, fuente de alimentación solar para exteriores

## Core LiFePo4 battery

**WITHIN 2 HOURS**

The image shows a dark grey portable power station with a blue laser beam emanating from its front. To the right, there is a clock icon with an orange border and a 100% progress indicator icon, also with an orange border.
