

Portable multifunctional charging power bank power station high capacity 2000W AC DC USB solar outdoor power supply

Core LiFePo4 battery

WITHIN 2 HOURS

The image shows a dark grey portable power station with a blue laser beam emanating from its front. To the right of the device, there is a clock icon with an orange border and a 100% progress indicator icon, also with an orange border. The text "WITHIN 2 HOURS" is displayed in orange above the clock icon.
