

**Avalon Miner 1066 50t asic BTC miner Ханаанский майнинг-асический чип Алгоритм SHA-256 встроенный блок питания**

The image shows two pieces of mining hardware against a dark space background with a planet's horizon. On the left is a white rectangular unit with two large circular fans on the front. To its right is a smaller, more compact white unit. The background features a blue and white horizon line and a starry sky.

**AvalonMiner 10 series**
